Dear David,

I am writing to both congratulate and thank the affiliated unions of the Delaware Building and Construction Trades Council (DBTC) for the work they have performed on our behalf over the past ten years.

The Buccini/Pollin Group strives to establish partnerships with companies who have qualified personnel, who are committed to excellence with consistent systems, policies and procedures. For this reason, Buccini/Pollin has developed a long-standing relationship with the DBTC.

Working with the Trades on development projects from inception through completion has allowed Buccini/Pollin to deliver a quality product on-time and as efficiently as possible. Your expertise and commitment have been a key factor in successfully building innovative commercial and residential projects.

Again, thank you for all of your hard work and dedication.

Sincerely,
